LET'S PLAN A PARTY

For your next social, corporate or non-profit event, Saltbox Kitchen offers a unique and stylish setting for a cocktail party, seated dinner, or a wine or beer tasting. The restaurant can accommodate 35-40 guests for a seated dinner, and 50-60 guests for cocktails and passed hors d'oeuvres.

Located in the heart of West Concord Village just steps from the Commuter Rail and minutes from Route 2, Saltbox Kitchen is a conveniently-located neighborhood restaurant and nano-brewery. The space features a mix of rustic farm and industrial details, with exposed wood beams, tables made from driftwood, subway tiled walls, and stainless steel and copper accents. Featuring high ceilings, 2 full walls of windows, and an open kitchen, the restaurant manages to feel both spacious and intimate.
